

We would like a waiver of deadline for our Form 471 filing, Application #875782, BEN #74098, for the 2012 Funding Year. We were not able to meet the March 20 deadline due to unfamiliarity with the process because of an employee change. We filed our Form 471 on April 3, 2012, so we did not miss the deadline by more than fourteen (14 days). Since this is a procedural error, we are asking that we be granted a waiver of deadline as other schools in this situation have been granted in the past. The discount we receive makes a real difference to our school and we would very much appreciate your favorable response.

Thank you for your consideration of our request.
